

Resources

***Alcoholic Beverage Control (ABC)** – <http://www.abc.ca.gov/programs/grant.html>

The Grant Assistance to Local Law Enforcement Program allows sworn officers to work closely with ABC Agents and receive training in ABC law, alcohol enforcement strategies, and community resources.

California Active Transportation Safety Information Pages (CATSIP) – <http://catsip.berkeley.edu/>

A state-supported, non-commercial site dedicated to presenting the latest and most useful online resources to encourage and promote safety for pedestrians, bicyclists, and other non-motorized road users in California.

California Friday Night Live - www.fridaynightlive.org or www.caseygoodwin.org

Friday Night Live builds partnerships for positive and healthy youth development which engage youth as active leaders and resources in their communities.

Drug Evaluation and Classification Program (DECP) California Highway Patrol (CHP) -

<https://www.chp.ca.gov/programs-services/for-law-enforcement/drug-recognition-evaluator-program>

The Drug Evaluation and Classification Program (DECP) is coordinated by CHP to provide training courses that include: Drug Impairment Training for Educational Professionals (DITEP), Standardized Field Sobriety Testing (SFST), Advanced Roadside Impaired Driving Enforcement (ARIDE), and Drug Recognition Expert (DRE).

National Institute on Drug Abuse- <https://www.drugabuse.gov/>

Every 15 Minutes program California Highway Patrol (CHP) - <http://www.chp.ca.gov/programs-services/programs/youth-programs/every-15-minutes>

The Every 15 Minutes program is a two-day program focusing on high school juniors and seniors, which challenges them to think about drinking, driving, personal safety, the responsibility of making mature decisions and the impact their decisions have on family, friends, and many others.

Start Smart California Highway Patrol (CHP) - <http://www.chp.ca.gov/programs-services/programs/youth-programs/start-smart-driving-smart-to-stay-safe>

The California Highway Patrol's Start Smart program is a driver safety education class which targets new and future licensed teenage drivers between the age of 15 - 19 and their parents/guardians. Contact your local CHP office for more information.

California Roadway System Maps (Caltrans) - http://www.dot.ca.gov/hq/tsip/hseb/crs_maps/

This website can be used to help determine if a roadway is on or off the Federal Aid System.

***Caltrans Active Transportation Program (ATP)** - <http://www.dot.ca.gov/hq/LocalPrograms/atp/>

The Active Transportation Program consolidates existing federal and state transportation programs, including the Transportation Alternatives Program (TAP), Bicycle Transportation Account (BTA), and State Safe Routes to School (SR2S), into a single program with a focus to make California a national leader in active transportation.

**Indicates resources may offer grants, please contact the agency to inquire about their application deadlines.*

Federal Highway Administration - <http://safety.fhwa.dot.gov/>

The United States Department of Transportation (DOT) agency, Office of Safety, works to reduce the number of crashes on U.S. roadways and the severity of crash impacts. The Office of Safety's mission is to reduce highway fatalities by making our roads safer through a data-driven, systematic approach to putting safety first when applying engineering, education, enforcement, & emergency medical services. Focus areas include: Comprehensive Strategic Planning, Roadway Departure, Intersections, & Pedestrians Safety.

Email: Safety.FHWA@dot.gov

Mothers Against Drunk Driving (MADD) - <http://www.madd.org/>

The mission of Mothers Against Drunk Driving is to stop drunk driving, support the victims of this violent crime and prevent underage drinking.

California State Office, (916) 481-6233 or ca.state@madd.org,
