## **APPLICATION SUMMARY**

OTS makes funding decisions that are data driven. The problem statement section is your agency's opportunity to use relevant data to create a picture to OTS about what problems your agency is trying to address through its proposed grant funded activities.

## **PROPOSED SOLUTION**

To complete this section, copy and paste the questions from each section (Strategies, Agency Qualifications, and Program Sustainability), then answer each question.

Additional information may be added.

## **GOALS**

Goals are pre-populated based on selected GME application type and cannot be changed or removed. Custom goals can be added but are not required.

To add Custom Goals to the application, click the New Performance Measure button. Enter a Target Number greater than 0, type a brief Custom Description and click the Save icon.

To edit all Custom Goals, click the Edit All button, make edits and make sure to click Save All when finished.

To edit an individual Custom Goals, click the pencil icon next to each Goal, make edits, then click the save icon.

To remove added Custom Goals, click the trash bin icon next to each Custom Goal.

## **OBJECTIVES**

Suggested Objectives have been added to the application based on the Application Type selected.

To edit all Objectives, click the Edit All button, make edits and make sure to click Save All when finished.

To edit an individual Objective, click the pencil icon next to each Objective, make edits, then click the save icon.

If Objectives have been added that do not apply to the grant application, change the Included field to No and enter 0 for the Target Number.

For Objectives included as Yes, enter a Target Number greater than 0.

For General Applications, "custom objectives" can be added.

To add Custom Objectives to the application, click the New Performance Measure button. Choose Yes for Included, enter a Target Number greater than 0, type a brief Custom Description and click the Save icon.

To edit all Custom Objectives, click the Edit All button, make edits and make sure to click Save All when finished.

To edit an individual Custom Objective, click the pencil icon next to each Objective, make edits, then click the save icon.

To remove added Custom Objectives, click the trash bin icon next to each Custom Objective.

## **METHOD OF PROCEDURE**

GME Applications --Standard language is pre-populated. This tab must be viewed even if no changes are made. Additional tasks can be added, if needed, but are not required. For General Applications – add narratives for this section.

## **BUDGET**

One line item is added for each cost category. If there are no expenses for a certain cost category, type "none" in the item name. All "none" line items must have a display number.

The following display numbers are associated with each cost category.

100 – Personnel Costs  
200 – Travel Expenses  
300 – Contractual Services  
400 – Equipment  
500 – Other Direct Costs  
600 – Indirect Costs

### **Personnel Costs**

#### **Positions -**

- If requesting positions, **enter a separate line item for the position and one line item for the benefits.**
- Benefits\* – do not include a benefit rate unless it is its own line item.
- List all positions first, then click "edit all" to enter the display numbers.
- Example – Traffic Officer – display will be 100.0 Benefits will be 100.1.
- If requesting hours for positions, enter them as straight time or overtime (for Enforcement Overtime, please use section below) and include the amount of hours that they will spend on grant operations. Example: One position getting paid 100% by the grant working a full year at \$41.00 per hour would be entered as Straight time, 2080 Units, \$41.00 Unit cost or Rate, and 100 Percent Paid by Grant. This gives a total of \$85,280.00 for the year.

#### **Overtime -**

- For STEP GME – if selecting pre-populated enforcement activities, you don't need to insert anything in the "item name" or "narrative."
- Benefits\* – Under Enforcement Activity, select "Other", in the item name, type "Benefits-% for OT" ... also type "1" under Unit Name.

\*Benefits- the narrative for your benefits line item should include the breakdown of the benefit rate.
